LETTER FROM ANDREA ALCABES

CHIEF EXECUTIVE OFFICER

A Century of Community, Connection, & Growth

This year, we've had the extraordinary privilege of celebrating a once-in-a-lifetime milestone — the 100th anniversary of the Jewish Community Center in Salt Lake City. For a century, the JCC has been more than just a place. It has been a vibrant home where people of all ages, faiths, and backgrounds come together to learn; celebrate; strengthen mind, body, and spirit; and connect with one another.

In honor of this remarkable centennial, the I.J. & Jeanné Wagner Charitable Foundation renewed its generous commitment to match every dollar donated through December 31, 2025. With your help, we are looking to raise \$250,000 by year's end — funds that will be matched dollar-for-dollar to reach \$500,000, ensuring that the JCC remains strong and vital for the next 100 years.

This anniversary has also been a moment for reflection and renewal. With the insight and participation of our board of directors, staff, and generations of JCC members, we have completed a five-year strategic plan designed to guide us into the next century. Together, we've identified clear priorities and ambitious goals to ensure that the JCC continues to be the joyful, sometimes chaotic, but always welcoming home for our entire community. We are approaching this work with deep purpose and determination — committed to meeting the evolving needs of our members and the broader Salt Lake community.

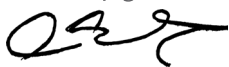

Amid this planning and celebration, the daily life of the JCC has never been more vibrant. Our children's and fitness programs are bustling with energy and laughter, while our arts programming has flourished — from glass workshops and local artist exhibits to our summer concerts and the Jewish Arts Festival, which this year celebrated The Sounds of Jewish America, highlighting Jewish contributions to American music in the 20th century.

We've also made meaningful improvements to our campus, adding a new PA system, replacing the chiller in our original building, and adding a new outdoor pickleball court. Relandscaping the parking lot and the refurbishment of the Holocaust Memorial has begun. In the works is the purchase of a new outdoor pool heater. These projects reflect our commitment to creating a safe space that is as welcoming and inspiring as the people who fill it.

Our success over the past century is no accident. It is the result of generations of members, families, and supporters who have poured their hearts, time, and resources into this place. The JCC thrives because it is where people find community, connection, and belonging. As we look toward our next hundred years, we are determined to ensure that this magic continues — sustaining and expanding the JCC as a cornerstone of Jewish life and a beacon of inclusivity for all who enter our doors.

Thank you for being part of this incredible journey. Together, we can build the next century of community, connection, and care at the JCC.

With deep gratitude,

Andrea Alcabes
